The Tonic pills are peculiarly adapted to the quick and permanent cure of Fever and ague, torpor of the Liver, and general debility. It is in Fever and Ague, Chill Fever, &c., that they achieve their greatest triumphs. It rarely requires over twelve hours; or more than haif a box of the tonic pil's, to break the chills and effect a permanent cure—which is rarely the case with the tonic mixtures of quinine, hawk

SMITH'S TONIC SYRUP Will effectually cure the Fever and Ague.

Thoy, Iso., August 16th, 1847. Having used in my own family, Smith's Tonic Syrup or Vegeta b'e Febrifuge for the cure of Ague and Fever or Chills and Fever, as well as having sold (in my neighborhood) upwards of sixty bottles within the last two mouths, I take pleasure in stating that in no case has it failed to effect a speedy cure either in Ague and Fever or Chills and Fever, and I sincerely recommend it to my friends and the public, as one of the most effectual and innocent rundles that I have ever known used. R. BATES, P. M. JEFFERSON Co., Kr., August 4, 1847.

This is to certify that I was afflicted last summer with Ague and Fever, and had then had it for three years, and during that time used every remedy that I could hear of without effect, and despaired of ever getting well; I was induced to try Smith's Tonic Syrup or Vegetable Febrifuge, and by using two bottles, I was entirely restored to my usual good health, and I continue well up to this time. I therefore do not hesitate to recommend it to my friends and the public, as the most effectual and innocent remedy that has ever come to my knowledge.
